

**Community Forum Featuring  
Depression: True Stories  
January 9, 2008**

Statement	Strongly Agree	Agree	Don't Know	Disagree	Strongly Disagree
1. I learned new information about depression from the DVD.					
2. I have a better understanding of how depression affects the brain.					
3. Because of the Community Forum, I would be more likely now to take action if I notice signs of depression in a young person.					
4. I am more likely to speak with other adults about the topic of depression among youth.					
5. I am more likely to talk with young people about the signs of depression.					
6. I believe the DVD Depression: True Stories can help reduce the stigma associated with depression.					
7. I will bring together a group of friends and/or colleagues to view the DVD.					
8. I will help to plan a Community Forum featuring the DVD and Words Can Work booklets.					
9. I will show a group of young people the DVD.					
10. I will use the <i>Words Can Work</i> booklets with young people.					
11. I will use the <i>Words Can Work</i> booklets with parents.					
12. I would recommend this Town Meeting to a colleague or friend.					
13. I would attend a Town Meeting on another topic.
