What People Are Saying About *Drugs: True Stories* Community Forum

"The State House forum was great. I was honored that Partners could be involved. You hit it out of the park."

Lee Chelminiak
Partners HealthCare

"CONGRATULATIONS! As a high school principal and Chair of the Safety Committee for the schools, I want to tell you Friday's substance abuse prevention conference was one of the BEST I've ever attended. We are combating the influence of drugs and alcohol in Danvers the *Drugs: True Stories* DVD will be greatly utilized.

Mark Strout, Principal
Danvers High School

"Congratulations! Outstanding forum! It was a powerfully important event that hopefully will change attitudes and lives. And of course I remain continually impressed by your ability to hold the entire event in the palm of your hand."

Peter Sack, Principal
Manchester Public Schools

"Thank you for a very informative forum on drug abuse. We will include *Drugs: True Stories* and *Words Can Work* booklets in a community forum sponsored by the Allston Brighton Substance Abuse Task Force."

Pat Doherty, Resource Specialist
Greater Boston Center for Healthy Communities

"Thanks for tackling substance abuse --- another extremely important issue to our teens and young adults. You reach so many people with your programs."

Barbara Munden, Health Educator
Sharon High School

"Very powerful and informative session. You did a great job!"

Pat Milano, Coalition Director
Community Against Substance Abuse, Inc

"The event and the DVD [*Drugs: True Stories*] were terrific – emotionally engaging and scientifically accurate. Congratulations on a job well done. I will spread your work around to the communities across the state."

Diane Barry
EDC

"*Drugs: True Stories* is a powerful tool to stimulate discussion among school age youth and adults about drugs. As part of our city-wide initiative to prevent and reduce risk behaviors and injuries associated with drug use, it will be presented in the classroom, in teacher and nurses trainings, and parent meetings."

Sarah O'Donnell, RN, MPH
Boston Public Schools

"*Drugs: True Stories* is a brilliantly produced and very hopeful piece. It illustrates very nicely the progression that goes with addiction."

Richard Falzone, M.D., Clinical Instructor in Psychiatry
McLean Hospital, Harvard Medical School
